this book is one.Its title,OSCEs for Obstetrics and Gynaecology, is slightly misleading.As its ... nearly 300 pages of questions and specimen answers, arranged as three imaginary OSCE circuits, each comprising ten stations. On balance, I think the space could have been devoted more usefully to discussing the OSCE concept in greater depth and illustrating the factors for which examiners often ...

### **OSCEs for Obstetrics and Gynaecology**

OSCE examinations are compulsory for Medical students and specialist trainees. The student is led through a clinical scenario and then assessed on examination, history taking, investigation, diagnosis and management.
